

Technical and Economic Cooperation (ITEC) Programme of 2010-11, Government of India is pleased to offer Special Courses in Alternate Hydro Energy, Conservation of Water Bodies, Vulnerability Mapping of Coastal Hazards and Wind Energy.

2. Details of four new Special Courses are as follows :

Course ID	Course	From	Duration
932	M.Tech (Alternate Hydro Energy System)	20/07/2010 to 19/07/2012	104 Weeks
933	M.Tech (Conservation of Rivers & Lakes)	20/07/2010 to 19/07/2012	104 Weeks
934	Vulnerability Mapping of Coastal Hazards Sixth International	07/06/2010 to 11/06/2010	1 Week
927	Training Programme on 'Wind Turbine Technology and Applications'	08/02/2011 to 24/02/2011	3 Weeks

3. The eligibility criteria for the above courses are as follows :

For Courses 932 and 933 at Alternate Hydro Energy Centre, IIT Roorkee :

- I. 60% marks or a CGPA of 6.75 out of 10 in a bachelors degree in Civil/Electric/Mechanical/Industrial/Chemical/Environmental Engineering or Masters degree in Science with mathematics at graduation level.
- II. 2 years of work experience in field relevant to the training course.
- III. Age between 25-45 years.

For Course 934 at Integrated Coastal and Marine Area Management Project Directorate (ICMAM), Chennai :

- I. Post Graduate.
- II. Working experience in GIS.
- III. Scientist/Technical person working in Disaster Management.

For Course 927 at Centre for Wind Energy Technology(C-WET), Chennai :

- I. Degree in Science/Diploma/Engineering disciplines and knowledge of English.
- II. Relevant experience in wind energy preferred.

4. Basic knowledge of English is essential for the above programmes. Application form can be downloaded from the website : <http://itec.mea.gov.in/>. In case of any further assistance, Mrs. Sunita Narang, Second Secretary, can be contacted on phone No.021-2109330.
